Littlehampton, the Beach. Littlehampton has good sands at low-water, but at other stages of the tide they are not available for strolling on, owing to the many groynes which have been required to be built in order to protect the beach from the aggression of the sea. Littlehampton has a wide and pleasant esplanade of its own, which runs for half-a-mile eastward from the mouth of the Arun.

My dear Ella

many thanks for yours
& your kind thoughts
how pleased you were
mind my bike will come
back we shall be seeing
you soon, hoping same
&c &c yours &c
